

KUSH VAISHNANI

📍 Surat, Gujarat ✉ kushvaishnani786@gmail.com ☎ +91 7990175153

PROFESSIONAL SUMMARY

Motivated and detail-oriented Computer Engineering student with a strong foundation in data analysis, statistics, and Python programming. Skilled in using tools like Excel, Power BI, and Pandas to clean, analyze, and visualize data. Passionate about transforming raw data into actionable insights to support decision-making in real-world business environments.

TECHNICAL SKILLS

Programming: Python (Pandas, NumPy, Scikit-learn, Matplotlib), CSS, C, HTML

Data Analysis & Visualization: Excel, Power BI, Pandas, Snowflake & Feature Engineering, Tableau

Databases: SQL

Concepts: Data Preprocessing, Model Evaluation, API Integration

PROJECTS

Loan Prediction using Machine Learning / Python, Pandas, Scikit-learn, Matplotlib

- Developed a loan approval prediction system using the Random Forest Classifier to determine loan eligibility based on applicants' demographic and financial data such as income, credit history, and loan amount.
- Implemented data preprocessing, feature encoding, and evaluation with an accuracy of 86%, providing an efficient and unbiased tool to assist financial institutions in automating loan decisions.

DashBoard / Power BI , Excel

- Designed and implemented a system in DA, integrated APIs, and developed interactive dashboards with analytics and visualizations in Power BI.

INTERNSHIPS

- Summer GTU Internship (AI) – CSRBOX (GTU), Jul 2025 | Learned AI fundamentals.
- Summer Internship (DAML) – INFOLABZ IT SERVICES, Jul 2025 | Worked on Data Analytics and Machine Learning / Data Analytics using Power BI Tool for data visualization / Machine Learning based Fuel Consumption Prediction.

CERTIFICATIONS

- Complete Data Analyst Bootcamp From Basics To Advanced. (From Udemy)

EDUCATION

- B.E. in Computer Engineering | C. K. Pithawala College of Engineering and Technology (GTU) CGPA: 9.10 | Semester: 7th (Ongoing)
